25X1

25X1

1. This is to advise you that subject individual departed from a location carrying a 10% foreign service differential on 23 May 1959 without intentions of returning to said post within a reasonable time. Accordingly, the differential should have been discontinued effective COB 23 May 1959. The advice from the field was unclear with respect to this move which explains why you were not previously notified.

2. To avoid recurrence of this type of adjustment, the field office concerned is being informed this date that previous information furnished concerning subject was insufficiently clear that he would remain at another post for an indefinite period to insure proper pay adjustments. They were further informed that hereafter advice regarding arrivals and departures involving pay matters will be emphatic to preclude improper payments. They were also advised that this case involves adjustments between two fiscal year appropriations.

3. We regret any inconvenience and the extra work that has been created through this inadvertence.
